Hello all,

We welcomed Lyn Solomon and Katie Bearse to the ranks of 10:00 EM and Julie Grogan to serve at either service. Katie has requested that the other EM serving with her read the Prayers of the People. We are still using the intinction cup and it can seem a little crowded at the altar, but we are all working together to make communion happen as seamlessly as possible. If you can't make a service, please find a replacement, or call/text me and notify Nancy in the church office (508-394-4222). Happy New Year and thanks for serving.
